MEMORANDUM

TO: The Honorable Linda W. Cropp
Chairman, Council of the District of Columbia

FROM: Natwar M. Gandhi
Chief Financial Officer

DATE: May 17, 2002

SUBJECT: Fiscal Impact Statement (Revised): “Compensation Settlement Agreement for Collective Bargaining Unit #3 for Union and Non-Union Uniformed Officers in the Metropolitan Police Department and Collective Bargaining Unit #13 for Union Medical Nurses Compensation System Changes Approval Resolution of 2002”

REFERENCE: Draft Resolution as Introduced– No Number Available

Conclusion

Funds are sufficient in the FY 2002 budget and the FY 2003 budget as currently agreed to by the Mayor and the Council. Funds have been allocated to impacted agencies for retroactive increases on an accrual basis. **There is an unbudgeted cost of \$2.33 million in FY 2004 and \$2.79 million in FY 2005. Additional funds will be required in the budget and financial plans for FY 2004 and FY 2005.**

Background

The proposed resolutions would approve two collective bargaining agreements recommended by the District’s Office of Labor Relations and Collective Bargaining and the District Office of Personnel and one non-union decision from the Mayor. The Compensation Unit #3 increases would affect 3,359 uniformed union members of the Metropolitan Police Department (MPD) and 252 uniformed non-union members of MPD per Mayoral decision. Terms of the agreement include:

- An increase of 4 percent to base wages retroactive to October 1, 2000;
- An increase of 4 percent effective April 1, 2002; and

- An increase of 5 percent effective April 1, 2003.

The Compensation Unit #13 increases would affect 55 nurses working in the Department of Corrections (DOC), the Department of Health (DOH) and the Department of Human Services (DHS). Terms of the agreement include:

- An increase of 4 percent to base wages retroactive to October 1, 2000;
- An increase of 4 percent effective January 1, 2002;
- An increase of 4 percent effective April 1, 2002;
- An increase of 1 percent effective April 1, 2002 for payroll reform measures;
- An increase of 3 percent effective October 1, 2002;
- An increase in the City Medical Examiner (CME) stipend from \$250 to \$500 per year; and
- All positions will be consolidated to one pay scale using the current DOC scale as the model.

Financial Plan Impact

The available budget for Workforce Investments in the table below represents the remaining available budget for Workforce Investments following the approval and implementation of other initiatives for base pay increases, bonuses, payroll reform and pay schedule consolidation already approved by the Council.

Additional requests for budget authority in the amounts of \$6 million and \$4 million are currently pending. These requests are meant to increase the available Workforce Investment funds to offset the costs of these and future compensation system changes. Unless there is further action by the U.S. Congress, the request for \$6 million will become available on May 9, 2002 and the request for \$4 million will become available on May 23, 2002.

The table on the following page has been revised to include those personnel services costs associated with Compensation Unit numbers #3 and #13 and non-union MPD.
