

GOVERNMENT OF THE DISTRICT OF COLUMBIA
Office of the Chief Financial Officer

Natwar M. Gandhi
Chief Financial Officer

MEMORANDUM

TO: The Honorable Linda W. Cropp
Chairman, Council of the District of Columbia

FROM: Natwar M. Gandhi
Chief Financial Officer

DATE: March 21, 2003

SUBJECT: Fiscal Impact Statement: "Senior Detectives Act of 2003"

REFERENCE: Bill 15-114 as Introduced

Conclusion

Funds are sufficient in the FY 2003 budget or the proposed FY 2004 through FY 2007 budget and financial plan because the proposed legislation is procedural and has no financial impact. The proposed legislation provides the Metropolitan Police Department (MPD) Office of Personnel a particular hiring authority that they currently do not have.

MPD is currently required to remain within their existing resources when making personnel decisions as are all District agencies. Anti-deficiency laws, 31USCA § 1341 (2000) and D.C. Official Code § 47-355.01 *et seq.* (2003), go so far as to prohibit District officers and employees from exceeding agency appropriations in any fiscal year.

Background

The proposed legislation would allow the District's Chief of Police to rehire senior level retirees of at least Detective Grade II back into the ranks of sworn police officers. The proposed legislation allows the employee to come back to service without jeopardizing the annuity earned prior to retirement. Officers hired under this initiative will receive pay and benefits of no less than Detective Class 3 Step 5 and shall not be eligible for longevity pay. The proposed legislation governs the standards by which an officer will be considered for this post-retirement continuation of service.

Financial Plan Impact

The proposed legislation has no financial impact and will not therefore effect budgetary expenditures or local General Fund revenue. The proposed legislation is procedural effecting only personnel decisions when hiring police officers.
