**FROM:** Natwar M. Gandhi  
Chief Financial Officer

**DATE:** July 8, 2003

**SUBJECT:** Fiscal Impact Statement: “Standardized Annual Reporting of Educational Data Amendment Act of 2003”

**REFERENCE:** Emergency Legislation

---

**Conclusion**

Funds are sufficient in the FY 2004 through FY 2007 budget and financial plan to approve the “Standardized Annual Reporting of Educational Data Amendment Act of 2003”.

**Background**

The proposed emergency legislation would amend the State Education Office Establishment Act of 2000 to require that office to collect data from the Superintendent of the District of Columbia Public Schools every year.

**Financial Plan Impact**

The State Education Office has sufficient resources to collect this data, and will not need additional funds to implement this legislation. As a result, the proposed legislation has no fiscal impact and funds are sufficient in the FY 2004 through FY 2007 budget and financial plan
