**Conclusion**

Funds are sufficient in the FY 2007 through FY 2010 budget and financial plan to implement the provisions of the proposed legislation.

**Background**

The proposed legislation would require, upon request by the Health Professional Licensing Administration (HPLA), each employer who directly or indirectly employs a health professional as defined in the District of Columbia Health Occupations Revision Act of 1985 (D.C. Official Code § 3-1201.01 *et seq.*) to provide the name, Social Security number, and professional title of each health professional who is employed or placed to practice in the District. The legislation would require employers to report the requested information to HPLA within 30 days of the request and would subject employers failing to meet this requirement to a fine.

**Financial Plan Impact**

Funds are sufficient in the FY 2007 through FY 2010 budget and financial plan to implement the provisions of the proposed legislation. Unexpected costs associated with implementing the legislation will be absorbed within existing agency resources.
