Chief Financial Officer

DATE: December 17, 2003

SUBJECT: Fiscal Impact Statement (Revised): "Compensation Agreement

Between the University of the District of Columbia and the University of the District of Columbia Faculty Association/NEA Representing Employees in Compensation

Unit #10 Approval Resolution of 2003"

REFERENCE: Public Resolution 15-578

Conclusion

Funds are sufficient in the FY 2004 through FY 2007 budget and financial plan as agreed to by the Mayor and the Council of the District of Columbia to implement the provisions of the proposed approval resolution. No additional resources will be required to implement the proposed compensation agreement.

Background

The proposed legislation would approve a collective bargaining agreement between the University of the District of Columbia (UDC) faculty represented by the National Education Association (NEA) in collective bargaining unit #10, and the Board of Trustees of UDC. The compensation increases would affect 160 union employee FTEs at UDC. Terms of the agreement include:

- An increase of 6.4 percent to base wages retroactive to October 1, 2002; and
- An increase of 3 percent retroactive to October 1, 2003.

Financial Plan Impact

Funds are sufficient in the FY 2004 through FY 2007 budget and financial plan to implement the provisions of the proposed resolution.

UDC has accrued funds to offset FY 2003 costs and will actually expend them as a supplemental compensation payment from FY 2004. The total cost of the pay agreement in FY 2003 for the population identified as District Service employees is \$987,000 financed by local funds. The table in Figure 1 presents the local personnel services costs associated with implementing the proposed compensation agreement.
